Dear Valued Partner,

We are immensely grateful for your generous support of Northeast OKC Renaissance Inc. Your contribution has been instrumental in enabling us to not only uphold the successes of previous years but also extend our reach and impact within the Northeast OKC community.

In 2023, your support allowed us to achieve significant milestones:

- **PlaceKeepers** has flourished, having served two cohorts and completed four projects within the year. We are excited to have received a \$100,000 grant from Oklahoma County to create a PlaceKeepers Capstone Program.
- The **OKC Minority Founder Accelerator (OMFA)** was launched. OMFA is a 16-week experience designed to accelerate OKC's minority entrepreneurship ecosystem by investing in founder development and transforming high growth and lifestyle (or "main street") business concepts with potential. Our inaugural cohort was comprised of 10 businesses. Upon successful completion of the program, each founder had the opportunity to be granted between \$10,000 and \$20,000.
- We secured two significant grants which allowed us to begin **capacity building** as well as embark on the process of initiating a **revolving loan fund** in the near future.
- Our continued partnerships with and support of several organizations and initiatives have been fruitful. Our involvement in the **H.B. Foster Center for Minority Entrepreneurship Development** project has been significant. We've actively contributed to reimagining this historic community center as an entrepreneurship hub. We are delighted to be in a collaborative partnership with the **NEOKC Neighborhood Association Coalition**. As a supporter of the coalition's efforts, NEOKCR financially supported an AmeriCorps capacity builder to serve their organization's needs. The **Northeast OKC Nonprofit Incubator** has been a fantastic addition to the Northeast OKC (NEOKC) ecosystem, and we are happy to have been a physical sponsor of the program.

**NORTHEAST OKC
RENAISSANCE INC.**

P.O. BOX 17442

Looking ahead to 2024:

- **Community Collaboration Space.**

We are excited to announce that we will be moving into a new Community Collaboration Space. This space will serve as a beacon of hope and unity for community members and allies alike, providing a platform for cooperative innovation to create positive change. We invite you to join us as thought partners in shaping the future of NEOKC.

- **PlaceKeepers**

July will bring our Minority Developers Conference, and will have the theme "Community Catalyst." The conference will feature plenary and breakout sessions from the nations top thought leaders covering topics ranging from ethical design, cooperative economics, and community stewardship.

Our Capstone will also be launched this coming summer. Research has shown that one of minorities largest hurdles are balance sheet fractures. Factors such as credit score, savings and net worth hinder them from even pitching a project. The Capstone Program allows NEOKCR to be a lead developer and create a co-development team out of PlaceKeepers who are experiencing a shortfall. NEOKCR will partner with Oklahoma City Urban Renewal and Oklahoma City Housing Authority to build on vacant OCURA lots throughout NEOKC. PlaceKeepers will work with one of NEOKCR's partner banks to create a financial plan which will serve as the launching pad to becoming an independent developer. Each participant will invest and receive equity in the project. We intend to sell all of our homes affordably to community members and stakeholders between 80 – 120% of Area Median Income.

- **OMFA**

An additional three cohorts will have been served by the end of 2024, bringing the total number of businesses served to more than 40.

- **Establishment of a Small Business Revolving Loan Fund.**

We are working to launch a dedicated fund to provide accessible financing options for aspiring entrepreneurs, fostering economic growth and sustainability within the community.

Once again, thank you for underpinning our work. It has been instrumental in bringing our collective vision to life. Together,

**NORTHEAST OKC
RENAISSANCE INC.**

P.O. BOX 17442
OKLAHOMA CITY, OK 73136
EIN: 81-4454819

we've made a positive impact, and are positioned to catalyze community transformation.

Enclosed, you will find a 2023 Charitable Donation Receipt for your records. Should you have any questions or require further information, please do not hesitate to reach out to us.

We look forward to the opportunities and challenges that lie ahead as we continue to actualize our collective vision for the future of NEOKC. We hope you will consider renewing your support of NEOKCR by continuing your investment in the coming year.

With gratitude,

Dr. Quintin Hughes Sr.

John,

Thank you for sponsoring three cohorts of the Real Deal Collective since its launch in 2020! Sponsorship of the Real Deal requires active participation as a trusted financial expert in class and \$10,000 per year for two CEO scholarships. Your \$30,000 contribution is significant. Second only to the expertise and insight you've given to the 50 businesses who have graduated the program.

As you know, the Real Deal Collective is a unique blend of services designed to provide small businesses with the most valuable resources in growing a company:

- A precise, custom plan for growth
- Education on finance, operations, sales, marketing, and leadership
- A peer network for support, collaboration, and role modeling
- A community network of experts, committed to providing access to resources

The program brings together 15 CEOs of growth-stage small businesses, half women or minority-owned businesses. The CEO's will undergo 6-months of classroom education, peer group meetings, networking events with community experts, and finish with a presentation of their strategic plans to the entire Collective.

Outcomes will be measured throughout the program and at the conclusion to monitor impact and identify follow-up support.

We are already managing a waiting list for the August 2023 session and look forward to your continued participation in this powerful community of small business owners' that have each other's back!

Thank you!
